GOING ALL OUT FOR KIDS

TIME-TESTED: HOW YOUNG LIFE WORKS

CONTACT WORK

Because kids don't care how much you know till they know how much you care, Young Life leaders show they care by going where kids are, meeting them as they are, and believing in who they can be. Within Young Life we call the persistent going out into the world of kids "contact work." But kids just call it friendship.

CLUB

We like to think of it as a party with a purpose. It's controlled chaos that's almost impossible to describe, but kids know it when they see it. And before the party ends, we share a simple message about God's love for them. After all, that's what the celebration is all about.

CAMP

Kids consistently tell us that Young Life camp is the best week of their entire lives. But how else would you describe a week where deep relationships are forged in the midst of mind-boggling fun as you hear the greatest love story ever told?

CAMPAIGNERS

A weekly gathering for kids who wish to learn more or grow in their faith through Bible study, service and leadership. We're with kids for the long haul, to help them take the first steps of faith with unconditional love. Along the way we encourage kids to celebrate their faith through participation in a local congregation.

COMMITTEE

The local "board" comprised of parents, Young Life alumni and civic leaders who provide a behind-the-scenes foundation of financial, administrative and moral support for the local Young Life leadership and staff team.

"Young Life is an outgrowth of the conviction that Jesus Christ is everything that kids want most, if they just knew it. He is the most wonderful, the most attractive, the strongest, most gracious, loving person this world has ever seen."

- Jim Rayburn, founder of Young Life
